

A Piano Masterpiece

The product of over 50 years piano building supremacy, the

possesses a concert-grand tone quality of unapproachable clarity and sweetness. Less than 5 feet in length. The Grandette takes but little more space than an upright. See it, hear it at the nearest showroom, or send for the booklet today.

A Great Step Forward Brings a Great Sale with It

The new Ovington building is being prepared and discounts of 10% to 50% are now offered at the old shop.

"THE Gift Shop of Fifth Avenue" will be at 32nd Street for but a short time.

Then, it will blossom out in its new building at 39th Street and Fifth Avenue.

The new building will mark the beginning of a new era in the history of the shop. The new home will be more spacious, but the wares will be the same distinctive wares for which Ovington's has always been known.

During the period of preparation, some rather unusual purchasing opportunities mark our farewell to our old building.

We will move nothing of our present stock to our new home, preferring to mark our move uptown by presenting to our old patrons their chance to purchase all Ovington wares at attractive discounts from the usual fair prices.

So from now to the day we move everything at Ovington's is subject to discounts of 10%—20%—30%—40% and 50%

It is hardly necessary to add that everything shown is of Ovington quality.
